In 1902 a Revision of the Inspectorate was ordered and a Scale of pay for the Dy & Asstt Dy Inspr of Schools, was fixed (Vide G.O Nos 806-7 Ed 18 & 808-10 Ed 19 dt the 15th July 1902 and No 427-8 Ed 9 dt the 8th July 1902)

3 In 1903 the Govt of Esh in Submitting certain Rules defining the powers and duties of the Asstt to the Inspr Genl and of the Dy and Asstt Dy Inspectors, proposed the appointment of another Asstt to the Inspr Genl in charge of the Eastern Circle comprising the other 4 Districts. He also proposed that the Asstt Inspectors may be designated circle Inspectors. But the Govt in their proceedings Nos ~~sanctioned the Rules~~ G/1831-2 Dy the 17th October 1903, sanctioned the Rules and observed that they had then no intention of

4 But H.H. the Maharaja in sanctioning the above Rules observed as follows —

"After full discussion of the case with the Dewan and Mr. Bhabha, I sanction the introduction of the Rules But I understand that the arrangements sanctioned in the G.O.s of July 1902 are merely temporary and I desire that the whole question of the Inspecting staff may be reconsidered at an early date with a view to placing it on a satisfactory and fairly permanent basis. To this the Dewan cordially agrees The practical working of the temporary arrangement will doubtless assist us in deciding on permanent requirement."

5 Again in November 1903 the D.G. proposed the reduction of the Shimoga College to the Status of a High School and the appointment of Mr. A.G. King, Head master of the College as Asst. Dy. Inspr. in charge

of the ~~Western~~ Eastern Division Govt have since sanctioned the reduction of the college as proposed (Vide file No 37 - 1903-04) His Highness on sanctioning the reduction of the College again observed as follows -

Mr King the Head Master of the College was also retired from Jan 3/1905

accordingly

6 The I Gt who was asked to submit proposals for the reorganisation of the Inspectorate has now sent up his recommendations The chief points touched on the reorganisation are

(1) The appointment of 2 circle Inspectors on Rs 400 rising to 700 by annual increments of Rs 50

(2) The appointment of 5 new Asstt Dy Inspr on Rs 50 rising to 100 by biennial increments of Rs 1

(3) The transfer of Mr T.R Venkatasami Naidu, the present Asstt Inspr in charge of the Western Division to the Tutorial Staff and the appointment of 2 of the Asstt Inspr who have passed

Please see para 2 of G.O. 9 letter dtd 2/10/1878 stating that under only 8 Districts a Director and two Inspectors can not be needed (Fla 6)

4(4) The abolition of the class of C I (300-25-450) in the Dy Insp^rs grade as in most of the British Provinces the pay of the Dy Insp^rs does not exceeds Rs 300 per mensem

7 The D^r G^l proposes to meet the minimum additional cost involved viz Rs 1,381 from the Savings caused by the reduction of the Shimoga College, by the transfer of M^r Venkatasami Naidu and etc which he estimates at Rs 1,773 per mensem

13 Mr Venkatasami Naidu deems
to be doing fairly well in his

to the Zulonial line does not
seem either quite possible or quite

Subsequent notes from the D.G. of Educ. Mysore

The percentage of the population of Mysore to that of Bombay is 256, and the percentage of the area of Mysore to that of Bombay is 226

Compared to the Inspecting staff of Bombay, the inspecting staff of Mysore should consist of Divisl Inspectrs 7 Deputy Insprs and 13 Asst Dep.ty Insprs

I propose that besides the D.G of Edn there should be 2 ~~Leads~~ Inspectrs, and the following subordinate staff

	No of schools	No of Dep.ty & Asst. Dep.ty Inspectrs
Bangalore	289	1 Dep.ty & 2 Asst.
Kolar	246	1 Dep.ty & 2 Asst.

Madras has recently appointed 50 Sub Assistant (or Deputy) Inspectors additional Bengal is giving to the same

I propose that the Inspectors may be departmental Officers of experience in which education, & that their pay may be fixed at 300 – 40/1 – 500, which was the pay of the second class Inspectors (Mr Marsden) before 1881

If Mr Venkatasamy Naidu is not to take the place of Mr Venkataramana, he may be one Inspector, & Mr C Krishna Rao starting on 380 Rs may be the other

Mr V Subramanya Iyer may be sent as HM of Tumkur High School, Mr M B Srinivasamurthy as HM of Chikmagalur H School, Mr Cross as Headmaster of Shimoga H Schl, Mr M Somasekhara as (Rs 300-25-~~450~~ 550) as Headmaster of Hassan, Mr B Vasudeva Rao MA as Headmaster of Chikballapur

19 In this connection, the recommendation to grade Mr Narasimha, Office Assistant to Mr Bhabha, with the Deputy Inspectors may also be considered At present he stands in a grade of his own 150-5-200. If including him among the Deputy Inspectors, his prospects will be regulated and Mr Bhabha stands strongly in his behalf on account of his qualifications and the good work he has done and may therefore be placed in the grade 210-15/6-300 of Deputy Inspectors The additional maximum charge thereby will be Rs 1,080 per annum as a matter of fact, in the circumstances mentioned above, the cost will be much less as it will take a number of years to reach the maximum and in some cases it may not be reached at all

Submitted to His Highness

The question of giving adequate help to Mr Bhabha for the inspection of schools has already been once before His Highness in October 1903 The recent abolition of the college classes in Shimoga, has effected a saving in the Education Budget, and Mr Bhabha has given good reasons in his memo of 31st January last and his subsequent notes for increasing the Inspecting staff The following proposals may be sanctioned -

Vide para 23 above

(a) The appointment of two Circle Inspectors on a pay of ₹300-40-500, each and of 8 additional Assistant Deputy Inspectors on a pay of ₹50-10/2-100, one of the latter being for the supervision of Sanskrit education, which is now more or less left to itself especially in outlying places where there are Grant-in-aid Patasalas

(b) Mr Venkatapathiengar, Deputy Inspector, to whom the grade of ₹300-25-450 was specially given on account of his long service, having retired, this grade may be abolished, and the maximum pay of a Deputy Inspector fixed at ₹300 as before

(c) Mr C Vasudevia, Office Assistant to the Inspector General, on a pay of ₹150-5-[illegible] now stands by himself, and he may be included among the Deputy Inspectors and placed in the grade of C II (₹210-15-300)

(d) An establishment costing Rs146 a month for one Circle Inspector, (Mr Venkataswamy Naidu who is now designated Assistant to the Inspector General being another having his own present establishment costing Rs146 and Rs37 with a contingent allotment of Rs5 per month for each of the eight Assistant Deputy Inspectors

3. The financial effect of the reorganization will be an additional cost per month of Rs942 minimum and Rs1,432 maximum Against this extra expenditure, there is a saving of Rs980 by the abolition of the college classes in Shimoga There will therefore be a net saving of Rs38 in the minimum cost and an increase of Rs452 a month when the maximum is reached.

(Vide para 6 sub para 2 of the Dy/s letter under disposal and G.O No 6578-9/Ed(179-04)-5 dt 30/1/05). Thus though there is a vacancy in class C I, there is one more temporary place in class C III (100-10-210). The Scale as sanctioned now provides only for 8 Dy Insprs while there are already 9 Dy Insprs, of whom one is appointed as a temporary measure in class C III in filling the vacancy in class C I. The Dy/s also wants 9 Dy Insprs, 8 in charge of each of the 8 Distts and one in charge of the Hindustani Schools in the East circle (Vide his note marked with flag X). Thus the sanctioned Scale provides for one Dy Inspr less than the existing or proposed Sca

At present there are separate estab lishments for each of the 9 Dy Inspr/s If there should be only 8 Dy Inspr/s, the estab lishment costing about Rs 70 attached to one there should likewise be done away wi But this has not been done in the previous scale now sanctioned. ^ It is respectfully submitted that if the of Dy Inspr/s be reduced to 8, one of the exist hands will have to be thrown out of the G

2 Since January 1904 I have received help in the administrative control of Lower Secondary and Primary Schools of the four Western Districts from Mr Venkatasamy Naidu who was assigned the duties of an Inspecting Officer from that date But for the four Eastern Districts I have not got similar help In the four western districts too Mr Venkatasami naidu has not been able to help any of the Deputy Inspecto. by relieving them of inspection work The inspection of all schools except the High School Forms of High Schools Normal Schools and Industrial Schools is left to the Deputy Inspectors even in the West Circle

3 The measures urgently required for improving inspection work are the appointments of two Circle Inspectors one for the East Circle and the other for the West Circle and of five more Assistant Deputy Inspectors These Circle Inspectors should take a sufficient number of the most important schools in their Circle under their direct control and inspection and relieve to that extent the Deputy Inspectors, all the remaining schools of their Circle being left to the control and inspection of Deputy and Assistant Deputy Inspectors I would assign to the Circle Inspectors for their immediate control and inspection the following Schools -

1 High Schools
2 Normal Schools
3 Anglo-Vernacular Schools
4 Girls' Schools at District Headquarters

The Circle Inspectors should be men of great administrative ability, high attainments and character able to examine High Schools and improve High School education to exercise vigilant supervision over the work of the Deputy Inspectors and Assistant Deputy Inspectors and to maintain discipline and a high moral tone both in the inspectorate and the schools within their Circle The following table shows the number of schools each Circle Inspector would have under his immediate control and inspection according to the above proposal -

Districts	High Schools (Government & Aided)	A V Schools (Government & Aided)	Girls'Schools at Dist Headquarters (Govt & Aided)	Total
Bargalore	4	23	17	44
Kolar	2	15	2	19
Tumkur	1	13	4	18
Chitaldrug	1	9	1	11
East Circle	8	60	24	92
Shimoga	1	9	4	14
Hassan	1	9	3	13
Kadur	1	6	3	10
Mysore	3	28	7	38
West Circle	6	52	17	75
Grand Total	14	112	41	167

4 The number of schools that will be left to the immediate control and inspection of the Deputy Inspectors and Assistant Deputy Inspectors is shown in the following table I would prefer to have a Deputy Inspector of Hindustani Schools for the West Circle as well as for the East Circle but I have not been able to find a B A for the post I have therefore put down an Assistant Deputy for the West Circle for the present

It will be seen from the above table that at least four more Kannada Assistant Deputies and one more Hindustani Assistant Deputy are required in addition to the two Inspectors

5 The best men to fill the Inspectors' places if we do not go out of the Province to seek for qualified men appear to me to be young Assistant Commissioners who have passed into the Mysore Civil Service by open competition, men like Messrs M Shama Rao M A Tyagaraja Iyer M A K R Srinivasa Iyengar M A C S Balasundaram Iyer B A The pay should not be less than that of Grade A II, Rs 400 - $\frac{50}{1}$ - 700 Some of these Assistant Commissioners, who have no immediate prospect of promotion in the General Department will I believe be glad to work for some years as Inspectors in the Education Department Mr Venkatesami Naidu may take the place of Mr R Venkataramaiya B A Professor of Mathematics on leave who is not likely to return to work at the expiration of his present leave and who has put in 35 years' service already

6 The increased cost to Government of 2 Inspectors and 5 Assistant Deputy Inspectors will be as follows -

2 Inspectors on Rs 400-$\frac{50}{1}$-700 or min Rs 800 Max Rs 1400 average ---- ---------- Rs	1100
5 Assistant Deputies on Rs 50 - $\frac{10}{2}$ - 100 or min 4s 250 max Rs 500 average ---------- Rs	375 ~~365~~
Monthly cost of establishment of a second Inspector's Office ---------- Rs	146
Monthly cost of establishment of 5 Assistant Deputies' offices average ---------- Rs	185
Total increased expenditure per month Rs	1806 ~~1796~~

If the minimum pay is given at starting to the Inspectors and Assistant Deputy Inspectors the immediate increase of cost will be Rs 1381 only

B[This does not necessarily mean present pay of Messrs Venkatasami & Varadu

Against this total expenditure should be set off the following

Schools at present in charge of Deputy Inspectors	Schools at present in charge of Asst Deputy Inspectors	Total	No of Schools proposed to be assigned to Inspectors	No of Schools to be inspected by Deputies and Asst Deputies	No of Deputies and Asst Deputies required

of Deputy Inspectors Rs 400 minus Rs 100 the
pay of Mr H N Venkataramanaia newly appointed
in place of Mr S Gopalakrao

Total Rs 1773

I would add that in no Province of British India is the pay of a Deputy Inspector fixed at more than Rs 300 and in most Provinces the highest pay of a Deputy Inspector does not exceed Rs 200 Under these circumstances I would strongly recommend that Class I of Deputy Inspectors (Rs 300 - $\frac{25}{1}$ - 450) may be abolished

Reorganization of the Inspecting Staff of the Education Department

From the Inspector General of Education in Mysore No 6907—403 dated 2nd February 1905

Submits proposals for the reorganization of the Inspecting Staff of the Education Department.

In 1902 a revision of the Inspectorate was ordered and a scale of pay for the Deputy and Assistant Deputy Inspectors of Schools was fixed (*Vide* G O Nos 806 7—Ed 18 and 808 10—Ed 19, dated the 10th July 1902 and No 427 8—Ed 9 dated the 8th July 1902)

2 The Inspecting Staff according to the above orders stands at present as follows —

No	Designation	Grade
1	Assistant to the Inspector General in charge of the Western Circle comprising the Districts of Mysore Kadur Hassan and Shimoga	B 2 (300 25 500)
1	Deputy Inspector	C I (300 25 450)
3	Do	C II (210 15 300)
4	Do	C III (100 10 210)
5	Assistant Deputy Inspectors	C IV (50 [12] 100)
15	Total	

3 In 1903 the Inspector General of Education in submitting certain rules defining the powers and duties of the Assistant to the Inspector General and of the Deputy and Assistant Deputy Inspectors proposed the appointment of another Assistant to the Inspector General in charge of the Eastern Circle comprising the other four Districts He also proposed that the Assistant Inspectors may be designated as Circle Inspectors But the Government in their Proceedings No G 1831 2 dated the 17th October 1903 sanctioned the rules and observed that they had then no intention of dividing the State as recommended by the Inspector General

4 But His Highness the Maharaja in sanctioning the above rules observed as follows —

After full discussion of the case with the Dewan and Mr Bhabha I sanction the introduction of the rules But I understand that the arrangements sanctioned in the Government Orders of July 1902 are merely temporary and I desire that the whole question of the Inspecting Staff may be reconsidered at an early date with a view to placing it on a satisfactory and fairly permanent basis To this the Dewan cordially agrees The practical working of the temporary arrangement will doubtless assist us in deciding on permanent requirement '

5 Again in November 1903 the Inspector General proposed the reduction of the Shimoga College to the status of a High School and the appointment of Mr A G King Head Master of the College as Assistant to the Inspector General in charge of the Eastern Division Government have since sanctioned the reduction of the College as proposed Mr King the Head Master of the College, was also retired from January 1905 (*vide* file No 37 1903 04) His Highness in sanctioning the reduction of the College again observed as follows —

I presume the Inspectorate question also will be brought up again "

6 The Inspector General who was accordingly asked to submit proposals for the reorganization of the Inspectorate has now sent up his recommendations The chief points touched on the reorganization are—

(1) The appointment of two Circle Inspectors on Rs 400 rising to Rs 700 by annual increments of Rs 50

(2) The appointment of five more Assistant Deputy Inspectors on Rs 50 rising to 100 by biennial increments of Rs 10

(3) The transfer of Mr T R Venkatasami Naidu the present Assistant to the Inspector General in charge of the Western Division to the Tutorial Staff and the transfer of two of the Assistant Commissioners who have passed the Mysore Civil Service Examination as Circle Inspectors above referred to

(4) The abolition of the class of C I (300 25 450) in the Deputy Inspectors grade as in none of the British Provinces the pay of the Deputy Inspectors exceeds Rs 300 per mensem

7 The Inspector General proposes to meet the minimum additional cost involved viz R 1 381 from the savings caused by the reduction of the Shimoga College by the transfer of Mr Venkatasami Naidu etc which he estimates at Rs 1 773 per mensem

11 I have given this matter my best consideration The needs of the Department are

(1) Two Circle Inspectors and (2) five Assistant Deputy Inspectors in addition to the Deputy and Assistant Deputy Inspectors already in service

These when sanctioned will meet a real want long felt

12 Deputy Inspectors on such high pay as Rs 300 25 450 are no longer called for and this grade instituted some time back under exceptional circumstances may accordingly be now abolished

13 Mr Venkatasami Naidu seems to be doing fairly well in his new capacity His reversion to the tutorial line does not seem either quite possible or quite necessary Two capable officers including himself on the pay proposed by Mr Bhabha viz Rs 400 50 700 will I think make excellent Circle Inspectors Either Mr K R Sreenivasiengar or Mr C Thyagaraja Iyer or Mr Balasundaram Iyer or Mr M Shama Rao may be offered the other Circle Inspector's* place They are all very good The question has already received all necessary attention and has passed the stage of discussion Mr Bhabha has discussed it with me more than once In the result I consider the above a satisfactory arrangement

*Or rather temporarily placed at the disposal of the Inspector General for employment as Circle Inspector with an allowance of Rs 100

14 Subsequent notes from the Inspector General of Education in Mysore

The percentage of the population of Mysore to that of Bombay is 2056 and the percentage of the area of Mysore to that of Bombay is 2226 Compared to the Inspecting Staff of Bombay the Inspecting Staff of Mysore should consist of 1 Director 1 Inspector 7 Deputy Inspectors and 13 Assistant Deputy Inspector

I propose that besides the Inspector General of Education there should be two Inspectors and the following subordinate staff —

	No of schools to be left to Dy Inspectors & Asst Dy Is after the schools in charge of the Inspectors are deducted from the total No of schools in each District	No of Deputy & Asst Deputy Inspectors
Bangalore	289	1 Deputy & 2 Assistants
Kolar	246	1 Do 2 Assistants
Tumkur	255	1 Do 2 Assistants
Chitaldrug	181	1 Do 1 Assistant
Shimoga	201	1 Do 1 Assistant

Mysore	349	1 Do 3 Assistants
Hindustani F C	175	1 Do 1 Assistant
Hindustani W C	112	1 Assistant
		9 Deputies & 12 Assts

We want seven Assistant Deputy Inspectors more
The following table from the last Quinquennial Report page 20 may be referred to —

	No of Institutions per inspecting officer
Madras	239

Bengal	184
United Provinces	66
Punjab	73
Burma	101
Central Provinces	75
Assam	83

Madras has recently appointed 30 Sub Assistant (or Deputy) Inspectors additional Bengal is going to do the same

I propose that the Inspectors may be departmental officers of experience and high education and that their pay may be fixed at 300 40–500 which was the pay of the second Circle Inspector (Mr Marsden) before 1881

If Mr Venkatasami Naidu is not to take the place of Mr Venkataramia he may be one Inspector and Mr C Krishna Rao starting on Rs 380 may be the other

Mr V Subramanya Iyer may be sent as Head Master of Tumkur High School Mr M B Srinivasiengar as Head Master of Chikmagalur High School Mr Cres as Head Master of Shimoga High School Mr M Srinivasa Rao on (Rs 300 25 400) as Head Master of Hassan Mr B Vasudeva Rao, M A, as Head Master of Chikballapur

Mr K Narasiengar is not giving much satisfaction as Head Master of the Mysore Normal School He may be sent as Head Master of the Chitaldrug High School and Mr Raghunatha Rao as Head Master of the Normal School Mysore

H J BHABHA

14 This may now be circulated to the Council Mr Bhabha has since modified his proposals and he wants two Inspectors and seven Assistant Deputy Inspectors I agree that there is no need to have a Deputy Inspector on Rs 300 rising to Rs 450 This grade was specially meant for Mr Venkatapathiengar on account of his long service and as he has retired the grade need no longer be maintained As before the maximum pay of a first grade Deputy Inspector may be Rs 300

15 The two Inspectors may be given Rs 300 40 500 each I do not think it will now be possible to revert Mr Venkatasami Naidu to the tutorial line He may continue to be one of the Inspectors

16 The cost to the State will be—

	Minimum	Maximum	
2 Circle Inspectors	400	1 000	Monthly
7 Assistant Deputy Inspetors* Rs 50 to Rs 100	350	700	
Establishment for one Inspector	146	146	
Assistant Deputy Inspector establishments*	209	2 9	
Total (including Mr Venkatasami Naidu's pay Rs 300 40 500	1 355	2 105	

*Regarding the cost of the establishment of seven Assistant Deputy Inspectors a sum Rs 420 per annum has to be added for contingencies at the rate of Rs 5 per month for each Assistant Deputy Inspector There was also mention made by Mr Bhabha to the Dewan Saheb of a separate Assistant Deputy Inspector to supervise Sanskrit Education The total cost of reorganizing the Inspectorate may thus be taken to be—

Minimum Rs 2 879
Maximum Rs 4 2[illegible]

M SHAMA ROW

7 61 905

17 According to Mr Bhabha's figures omitting Mr Venkatasami Naidu's pay there will be a saving of about Rs 1 300 monthly on account of the abolition of the Shimoga College and the saving on the pay of Mr Venkatapathiengar Mr Venkatasami Naidu will carry his own pay as Inspector and the savings mentioned will go to meet the additional charge to the State by these arrangements It is only when the maximum pay is reached the extra charge will be about Rs 600 per annum

18 In this connection the recommendation to grade Mr Vasudevaiya Office Assistant to Mr Bhabha, with the Deputy Inspectors may also be considered At present he stands in a grade of his own Rs 150 - 200 By including him among the Deputy Inspectors his prospects will be regulated and Mr Bhabha speaks strongly in his behalf on account of his qualifications and the good work he has done He may therefore be placed in the grade of Rs 210 15/6 300 of Deputy Inspectors The additional maximum charge thereby will be Rs 1 200 per annum As a matter of fact in both the cases mentioned above the cost will be very much less as it will take a number of years to reach the maximum and in some cases it may not be reached at all

Submitted to His Highness

23 The question of giving adequate help to Mr Bhabha for the inspection of schools has already been once before His Highness in October 1903 The recent abolition of the College classes in Shimoga has effected a saving in the Education budget and Mr Bhabha has given good reasons in his memo of 31st January last and his subsequent notes for increasing the In specting staff The following proposals may be sanctioned —

(*Vide* para 23 above)

The financial effect of the reorganization will be an additional cost per month of Rs 942 minimum and Rs 1 432 maximum Against this extra expenditure there is a saving of Rs 980 by the abolition of the college classes in Shimoga There will therefore be a net saving of Rs 38 in the minimum cost and an increase of Rs 402 a month when the maximum is reached

Assistant Deputy Inspectors					
5 Assistant Deputy Inspect ors in Class C IV (Rs 50 —10 2—100)	250	500	13 Assistant Deputy Inspectors in Class C IV (Rs 50—10 2—100)	650	1,300

29 According to the present scale there are nine Deputy Inspectors' posts of which one in the higher Class C I is vacant but in the arrangement for filling up that vacancy Mr Gopal Rao Manager of the Local Examination Office has been appointed as a temporary measure in the lowest Class C III (Rs 100—10—210) (*Vide* para 6 sub para 2 of the Inspector General's letter under disposal and Government Order No 6578 9—Ed (179 04) 5, dated 30th January 1905) Thus though there is a vacancy in Class C I there is one more temporary place in Class C III (Rs 100—10—210) The scale as sanctioned now provides only for eight Deputy Inspectors while there are already nine Deputy Inspectors, of whom one is appointed as a temporary measure in Class C III in filling the vacancy in Class C I The Inspector General also wants nine Deputy Inspectors eight in charge of each of the eight districts and one in charge of the Hindustani Schools in the East Circle (*Vide* his note above) Thus the sanctioned scale provides for one Deputy Inspector less than the existing or proposed scale

At present there are separate establishments for each of the nine Deputy Inspectors If there should be only eight Deputy Inspectors the establishment costing about Rs 70 attached to one of them should likewise be done away with But this finds no place in the revised scale now sanctioned It is respectfully submitted that if the number of Deputy Inspectors be reduced to eight one of the existing hands will have to be thrown out of the grade

30 Mr Vasudevaiya Office Assistant to the Inspector General whose promotion is also ordered is now in grade Rs 175—5—200 and not in 150—5—200 as entered in the copy of the Council Resolution Since he has been promoted to Class C II (200—15—300) he minimum additional cost is only Rs 35 and not Rs 60 Thus the minimum additional cost involved by the revision as now sanctioned is only Rs 917 and not Rs 942

31 Orders are also solicited as to whether the number of places in the Deputy Inspectors grades should remain as nine as heretofore or should be reduced to eight as now revised

32 As the savings caused by the reduction of the Shimoga College have been omitted in the current year budget the additional cost involved will have to be sanctioned as a supplemental grant

34 Hassan and Kadur together have at present only one Deputy Inspector In future each of them will have a separate Deputy Inspector In the Mysore District there are now two Deputy Inspectors Hereafter there will be only one Without therefore increasing the number each district will under the Revision Scheme have a Deputy Inspector all for itself And these eight have been provided for in the extract from the Council Proceedings submitted to His Highness The man on Rs 300—450 goes and in his place there will be one on Rs 100—210 There will thus be three on Rs 210—300 and five on Rs 100—210 This is in addition to the Deputy Inspector of Hindustani Schools on Rs 100—210 who was evidently not taken into account in the extract above referred to No reduction in the number of Deputy Inspectors was intended That being so, there can be no reduction in the cost of establishment either

35 The mention of Rs 150—5—200 instead of Rs 175—5—200 against Mr Vasudevaiya was evidently due to an oversight The extra cost on his account will be Rs 35 rising to Rs 100 and not Rs 60 rising to Rs 100

36 The supplemental grant necessitated by the revision may be formally sanctioned

39 *To the Inspector General of Education and the Comptroller to the Government of Mysore, Government Proceedings No Fl 678—9 dated the 22nd July 1905*

Sanctions the reorganization of the Inspecting Staff of the Education Department

Proceedings of the Government of His Highness the Maharaja of Mysore, Local Fund and Sanitary (Education), July 1905

Reorganization of the Inspectorate

FILE No 222 of 1904 05

From the Inspector General of Education in Mysore to the Secretary to Government General and Revenue Department No 6907—403 dated 2nd February 1905

With reference to Order No 5880 2—Ed dated 10th January 1905 I have the honor to submit for orders fresh proposals for the reorganization of the Inspectorate at the early convenience of Government Serial No 1

Memorandum on the Reorganization of the Inspectorate by the Inspector General of Education dated 31st January 1905

The tabular statement given below shows the number of schools controlled and inspected at present by the Deputy and Assistant Deputy Inspectors There are eight Deputy Inspectors of Districts two of them being employed in the Mysore District and the districts of Hassan and Kadur together being placed under one Deputy There are four Assistant Deputy Inspectors to help the Deputy Inspectors of Bangalore, Kolar Tumkur Hassan and Kadur For Hindustani Schools there is a Deputy Inspector for the East Circle and an Assistant Deputy for the West Circle From the table it will be apparent that all the Deputies and two of the Assistant Deputies are overburdened with work No inspecting officer having many more than 100 schools under his control and inspection can do his work satisfactorily

No	District	Schools in charge of the Deputy Inspectors	Schools in charge of the Assistant Deputy Inspectors	Total
1	Bangalore	153	180	333
2	Kolar	135	130	265
3	Tumkur	168	105	273

2 Since January 1904 I have received help in the administrative control of Lower Secondary and Primary Schools of the four western districts from Mr Venkatasami Naidu who was assigned the duties of an Inspecting Officer from that date But for the four eastern districts I have not got similar help In the four western districts too Mr Venkatasami Naidu has not been able to help any of the Deputy Inspectors by relieving them of inspection work The inspection of all schools except the High School Forms of High Schools Normal Schools and Industrial Schools is left to the Deputy Inspectors even in the West Circle

3 The measures urgently required for improving inspection work are the appointments of two Circle Inspectors one for the East Circle and the other for the West Circle and of five more Assistant Deputy Inspectors These Circle Inspectors should take a sufficient number of the most important schools in their circle under their direct control and inspection and relieve to that extent the Deputy Inspectors all the remaining schools of their circle being left to the control and inspection of Deputy and Assistant Deputy Inspectors I would assign to the Circle Inspectors for their immediate control and inspection the following schools —

1 High Schools
2 Normal Schools
3 Anglo Vernacular Schools
4 Girls Schools at district head quarters

The Circle Inspectors should be men of great administrative ability high attainments and character able to examine High Schools and improve High School education to exercise vigilant

supervision over the work of the Deputy Inspectors and Assistant Deputy Inspectors and to maintain discipline and a high moral tone both in the inspectorate and the schools within their circle. The following table shows the number of schools each Circle Inspector would have under his immediate control and inspection according to the above proposal —

Districts	High Schools (Government and Aided)	M. V. Schools (Government and Aided)	Girls Schools at district head quarters (Government and Aided)	Total
Bangalore	4	23	17	44
Kolar	2	15	2	19
Tumkur	1	13	4	18
Chitaldrug	1	9	1	11
East Circle	8	60	24	92
Shimoga	1	9	4	14
Hassan	1	9	3	13
Kadur	1	6	3	10
Mysore	3	28	7	38
West Circle	6	52	17	75
Grand Total	14	112	41	167

4 The number of schools that will be left to the immediate control and inspection of the Deputy Inspectors and Assistant Deputy Inspectors is shown in the following table. I would prefer to have a Deputy Inspector of Hindustani Schools for the West Circle as well as for the East Circle but I have not been able to find a B. A. for the post. I have therefore put down an Assistant Deputy for the West Circle for the present.

District	Schools at present in charge of Deputy Inspectors	Schools at present in charge of Assistant Deputy Inspectors	Total	Number of schools proposed to be assigned to Inspectors	Number of schools to be inspected by Deputies and Assistant Deputies	Number of Deputies and Assistant Deputies required
Bangalore	153	180	333	44	289	1 Deputy and 2 Assistants
Kolar	135	130	265	19	246	1 Deputy and 1 Assistant
Tumkur	168	105	273	18	255	1 Deputy and 1 Assistant
Chitaldrug	192		192	11	181	1 Deputy and 1 Assistant
Shimoga	168	47	215	14	201	1 Deputy and 1 Assistant
Hassan	147	53	147	13	134	1 Deputy
Kadur	27		80	10	70	1 Deputy
Mysore	287		287	38	249	1 Deputy and 2 Assistants
Hindustani East Circle	175		175		175	1 Deputy and 1 Assistant
Do West Circle	112		112		112	1 Assistant

Reorganization of the Inspectorate

It will be seen from the above table that at least four more Kannada Assistant Deputies and one more Hindustani Assistant Deputy are required in addition to the two Inspectors

5 The best men to fill the Inspectors places if we do not go out of the Province to seek for qualified men appear to me to be young Assistant Commissioners who have passed into the Mysore Civil Service by open competition men like Messrs M Shama Rao MA Tyagaraja Iyer MA K R Srinivasa Iyengar MA and C S Balasundaram Iyer, BA The pay should not be less than that of Grade A II Rs 400—50 1—700 Some of these Assistant Commissioners who have no immediate prospect of promotion in the General Department will I believe be glad to work for some years as Inspectors in the Education Department Mr Venkatasami Naidu may take the place of Mr R Venkataramaiya BA Professor of Mathematics on leave who is not likely to return to work at the expiration of his present leave, and who has put in 35 years service already

6 The increased cost to Government of two Inspectors and five Assistant Deputy Inspectors will be as follows —

	Rs
2 Inspectors on Rs 400—50 1—700 or min R 800 max Rs 1 100 average	1 100
5 Assistant Deputies on Rs 50—10 2—100 or min Rs 250 max Rs 500 average	375
Monthly cost of establishment of a second Inspectors office	146
Monthly cost of establishment of five Assistant Deputies offices average	185
Total increased expenditure per month	1 806

If the minimum pay is given at starting to the Inspectors and Assistant Deputy Inspectors, the immediate increase of cost will be Rs 1 381 only

Against this total expenditure should be set off the following savings —

	Rs
Pay and allowance of Head Master Shimoga College	650
Other estimated savings per month after the staff is revised	323
Pay of Mr Venkatasami Naidu if he is appointed in place of Mr R Venkataramaiya in the Central College	500
Last pay of Mr Venkatapathienger in class I of Deputy Inspectors Rs 400 minus Rs 100 the pay of Mr H N Venkataramanaiya newly appointed in place of Mr S Gopala Rao Manager Local Examinations who is transferred as Deputy Inspector on his own pay	300
Total	1 773

I would add that in no Province of British India is the pay of a Deputy Inspector fixed at more than Rs 500 and in most Provinces the highest pay of a Deputy Inspector does not exceed Rs 200 Under these circumstances I would strongly recommend that class I of Deputy Inspectors (Rs 500—25-1—450) may be abolished

To the Inspector General of Education and the Comptroller to the Government of Mysore No El 678 9 dated 22nd July 1905

Serial No 2

The question of placing the Inspecting Staff of the Education Department on a more satisfactory and fairly permanent basis has been under the consideration of the Government of His Highness the Maharaja of Mysore for some time past and as a result the following arrangements are ordered —

(a) The appointment of two Circle Inspectors on Rs 500 each rising to Rs 600 by annual increments of Rs 40

(b) The appointment of eight more Assistant Deputy Inspectors on Rs 50 each rising to 100 by biennial increments of Rs 10 in addition to the five Assistant Deputy Inspectors already existing

4 The post of Deputy Inspector in class C I (Rs 300—20—400) will be abolished the maximum pay of a Deputy Inspector being fixed at Rs 300 In addition to the Deputy Inspector of Hindustani Schools on Rs 100—10—210 there will in future be three Deputy Inspectors on Rs 210—15—300 and five on Rs 100—10—210 thus giving one for each district

5 Mr Vasudevayya Office Assistant to the Inspector General of Education in Grade Rs 175—5—200 will be placed in the grade of Deputy Inspectors of class C II(Rs 210—15—300) This will be an addition to the number mentioned in para 4 above

6 An establishment costing Rs 146 a month for one Circle Inspector and of Rs 37 a month for each of the eight new Assistant Deputy Inspectors and a contingent allowance of Rs 5 per mensem for each of these Assistant Deputy Inspectors are also sanctioned

7 The financial effect of the reorganization will be as shown below —

Total additional cost	917*	1432* per mensem

*This is in addition to the cost of the Deputy Inspector of Hindustani School

8 The minimum additional cost of Rs 917 per mensem is now proposed to be met from the savings of about Rs 980 per mensem caused by the reduction of the Shimoga College to the status of a High School but as these savings have not been retained in the current year's budget, the said additional cost is sanctioned as a supplemental grant

9 Suitable proposals for filling up the places in the Circle and Assistant Deputy Inspectors grades should be submitted together with an allocation statement
